Library Topic Guide

Library Topic Guides, or LibGuides are another type of curating tool. Below is a LibGuide I curated about Autism & Asperger Syndrome Resources for educators, parents, and students: <http://libraryschool.libguidescms.com/autismspectrum>

Symbaloo

If you've not tried Symbaloo (another curating tool) Check out my two Symbaloo webmixes - one about Butterflies and the other about Web 2.0 tools:

Butterflies: <http://www.symbaloo.com/mix/butterflies3>

Web 2.0 Tools <http://www.symbaloo.com/mix/web20tools132>

Other Resources:

Remind101

<https://www.remind101.com/> This is a great communication tool for educators, especially classroom teachers -- just have to collect cell phone numbers or e-mail addresses from parents to use.

Graphite: There are no limits to what a great educator can achieve when they have the right tools. Graphite, a free service from Common Sense Media, helps teachers find, understand, and share the best digital learning products available:
